

The Benefits of Teaching Safe Sitter®

Your Organization

- National media attention and name recognition
- Marketing tool for teens and parents

Plus, the high-quality program promotes your community spirit!

Your Community

- More young teens providing safe child care
- Skills learned prepare grads for better parenting

Plus, a "no referral policy" makes graduate safety a high priority!

Instructors

- Interactive, fun-to-teach with games, role-plays and small ratio allows Instructors to get to know students
- Structured, comprehensive easy-to-understand Instructor Manual
- Pride of being a role model to students and enjoyment of giving students a real sense of accomplishment

Plus, the medically-accurate program was designed by a nationally-recognized board-certified pediatrician!

Students

- Lives enhanced by learning rescue skills, basic first aid, nurturing & safe child care and self-care
- Higher self-esteem through supportive, learner-centered curriculum
- Learn safe habits and all-important life skills, such as introductory employment skills

Plus, with a fun, but serious, curriculum students enjoy themselves!
